MASSAGES

Volcanic Glacial, 60 minutes/CHF 275

Experience the remedial and rebalancing benefits of volcanic stones which are gently heated and smoothed over the body. The radiant warmth of the stones induces healing and deep relaxation, while the oil has a revitalizing effect on your muscles.

Using Dr Burgener Switzerland.

FACIALS

The Ultimate Facial, 90 minutes/CHF 290

An exquisite treatment that combines natural ingredients such as the Alpine rose, Swiss Edelweiss and daffodil flowers with the most advanced anti-aging technologies. Hyaluronic acid works in synergy with the antioxidant properties of grape stem cells and Vitamin E to protect against pollution. Boosters rich in Omega 3 and 6, Vitamin E and retinoic-like acid improve skin elasticity and reduce fine lines giving you an immediate lift and radiance. *Using Dr Burgener Switzerland.*

Personalized Facial, 60/90 minutes, CHF 240/290

This bespoke facial is designed to suit your skin type and skincare concerns, using products and techniques best adapted to deliver desired results. It follows a skin diagnosis undertaken by your skin expert. Your treatment will combine the purest and most efficient natural ingredients with the latest anti-aging technologies.

Using Dr Burgener Switzerland.

Prices are inclusive of government tax.

Firming Neck and Face, 90 minutes/CHF 290

Ideal for skin lacking firmness, your spa therapist will use chin straps to lift and tone the skin around the lower cheeks, the oval of the face and neck. The most powerful Biologique Recherche products are applied for an immediate and lasting lifting effect. *Using Biologique Recherche.*

BODY TREATMENTS

Swiss Salt Detox Wrap, 60 minutes/CHF 245

This full body scrub followed by a wrap uses purifying salt crystals extracted from glaciers in the Swiss Alps. In combination with our sweet almond oil, this treatment detoxifies and regenerates your skin. *Using Dr Burgener Switzerland.*

Anti-Aging Damascus Rose Wrap, 60 minutes/CHF 245

This anti-aging ritual uses royal jelly and honey peel with ground apricot stones to exfoliate the skin, followed by Damascan rose petals body wrap to rehydrate, soothe and regenerate. Pink clay from the mountains of Syria gently removes impurities, while allowing moisture to be retained. While being cocooned in the wrap, a scalp massage provides additional relaxation. This treatment concludes with the application of the Active Anti-Aging Concentrate to further enhance your results. *Using Dr Burgener Switzerland.*
